U.S. - BRITISH
TREATY
RATIFIED

1784

Cent

Thomas Jefferson proposed
the Cent to be of Copper.

1784

William Clark (14) & family (including a dozen more slaves & moved west from Virginia, settling above the waterfalls near today's Louisville. There, there were bitter conflicts between migrating settlers and Indians. One of his older brothers was killed by Indians on the Little Watash R. William Clark was 9th

of 10 Children. George Rogers Clark, the family's
2nd son & a Revolutionary War hero, 22 yrs
Billy's senior was an especially remorseless
Indian fighter.
